

## Special Academic Programs

### How to Submit a non-degree seeking application for ARMY ROTC

Go to this website: <https://go2.ku.edu/portal/apply>

Next, select “Not seeking a degree”

**Let's start you on the right path to KU.**  
Choose the application that best identifies you.

<b>Freshman</b> I will be a first-time college student.	<b>Transfer</b> I am applying from attending another college or university.	<b>International</b> I am not a U.S. citizen or permanent resident and will need a visa as an undergraduate student at KU.
<b>Online</b> I want to apply to an online undergraduate program.	<b>Not seeking a degree</b> I am seeking a certificate or plan to take classes for personal enrichment.	<b>Returning student</b> I have taken a break from classes at KU.
<b>Dual Credit</b> I plan to take college classes from KU while still in high school.	<b>Graduate student</b> I am applying to a graduate-level program at KU.	<b>KU Medical Center</b> I want to apply to a KU Medical Center program.

After that, you will either create an account if you have never created an account for a KU Application before or you will log in if you have already created an account.

## Application Management

**Returning users:**

[Log in](#) to continue an application.

**First-time users:**

[Create an account](#) to start a new application.

Once you either create an account or log into your account, you want to be taken to the KU **Non-Degree** Application.

- Please fill in the “Student Information” page with the appropriate information
- On the “**Your Plans**” page should be completed as follows:
